Private Guided City Walk for Individual Guests or Groups

Join me, as I show you my beautiful home town. Explore Lucerne on foot with a native and learn important humorous and interesting facts about Lucerne's history, churches, bridges, narrow streets, towers, squares, and of course, Lucerne's trademark, the Chapel Bridge with Water Tower.

You determine the meeting point, the starting time and the duration of the tour.

Tour Suggestions

What about allowing me to show you the sights of our beautiful country in your rental car?

If you prefer to use public transportation, we could explore regions of Switzerland together. As your private guide I would inform you about geography, history and culture of my native country.

You want to hike through "Sound of Music" landscapes, but don't feel confident enough to tackle this on your own. I can be your guide as you explore our local, well developed hiking trails.

I could also be your guide and/or interpreter, while you explore our country where perhaps either your forebearers or famous European people such as Heinrich Pestalozzi, Richard Wagner, Jean Jacques Rousseau, Hermann Hesse or others lived.

What about letting me take you to a cheese factory?
or a glass works?

Are you organizing bus trips to Lucerne or Switzerland? I could be tour director for your group.
